

Honlite Industrial Co., Ltd

Company profiles

Dongguan Honlite Industrial Co.,Ltd.is a 36 years' professional Taiwan-funded manufacturer specializing in R&D,production and sales of motors.The main types of motor production include single-phase series motors,induction motors,shaded-pole motors,DC brush motors,brushless DC motors,reduction gearbox motors and peristaltic pumps.Widely used in shredders,gluing machines,drilling machines,ticket dispensers and other office equipment;slow-grinding machines,coffee machines,cooking machines and other household appliances;massage,massage chairs and other fitness equipment;high and low speed centrifuges,magnetic Laboratory equipment such as agitators and separators,medical equipment,automobiles,construction,power,petrochemical and other industries.

Company Introduction

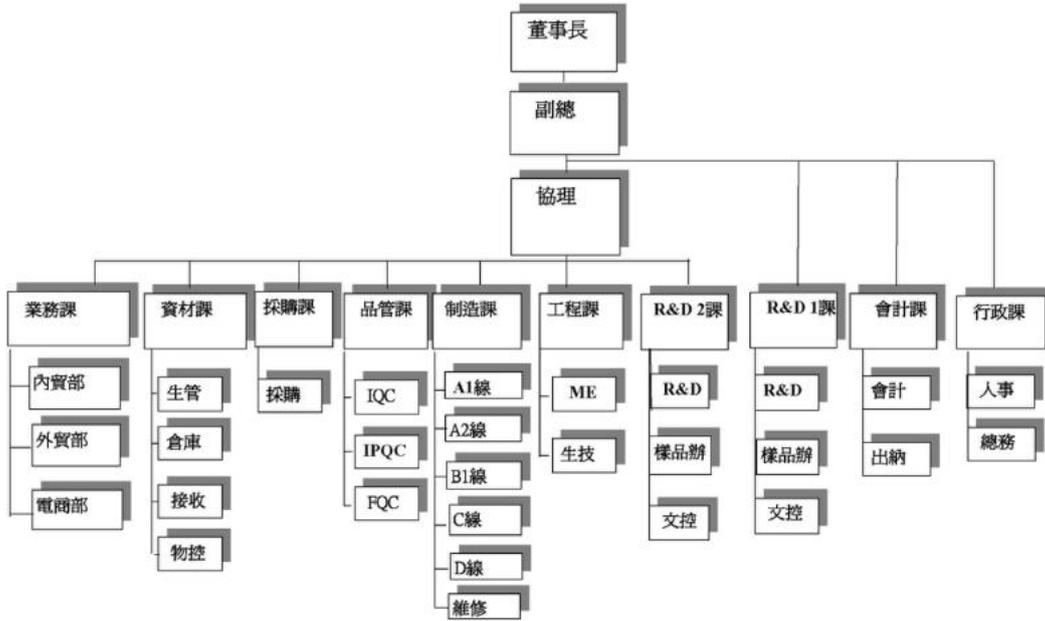

Our company

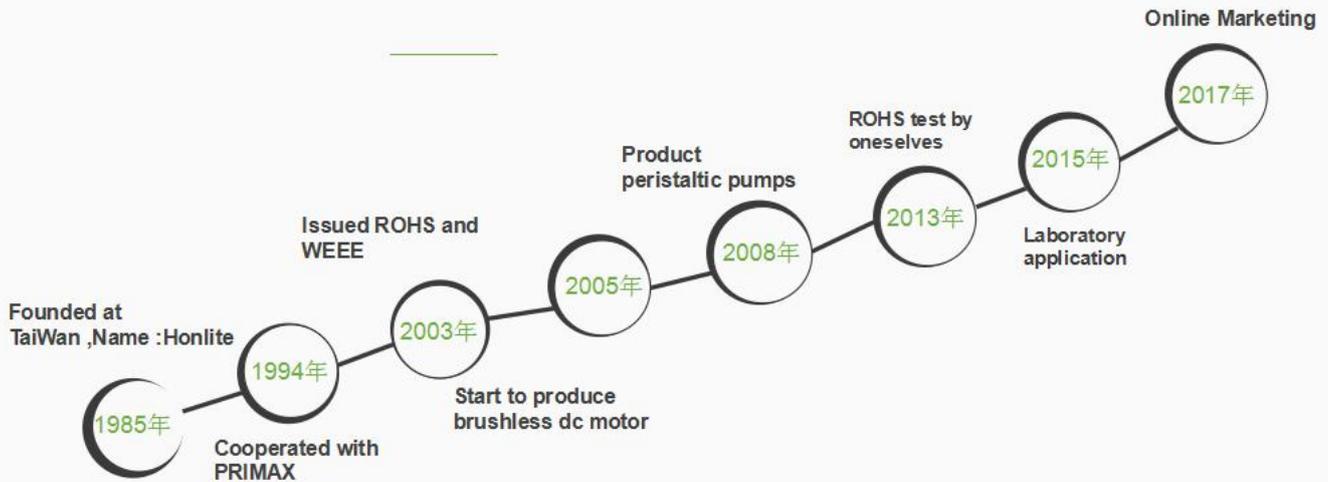

- ◆ Premise 6 000m²
- ◆ Capital 602HKD
- ◆ Bobbin parts 150000/M
- ◆ New machine development 30set/Y
- ◆ Number of employees 150
